## SELF ASSESSMENT GUIDE

<b>Qualification:</b>	AGRICULTURAL MACHINERY OPERATION NC II		
<b>Certificate of Competency (COC 1):</b>	Operate agricultural small production machinery and equipment		
<b>Instruction:</b>			
<ul style="list-style-type: none"> <li>Read each question and check the appropriate column to indicate your answer.</li> </ul>			
<b>Can I?</b>	<b>YES</b>	<b>NO</b>	
<ul style="list-style-type: none"> <li>Assess existing land condition in terms of moisture content, terrain, vegetation and soil texture*</li> </ul>			
<ul style="list-style-type: none"> <li>Assess crop conditions in terms of age and weed/pest infestation *</li> </ul>			
<ul style="list-style-type: none"> <li>Select appropriate agricultural machineries according to condition of land and crop *</li> </ul>			
<ul style="list-style-type: none"> <li>Prepare agricultural machineries, tools and materials, components and attachments (implements/accessories) for operations *</li> </ul>			
<ul style="list-style-type: none"> <li>Operate agricultural machineries according to operator's manual *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Check and/or adjust agricultural machineries, attachments (implements/accessories), machine components in accordance with job requirements and/or manufacturer's manual *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Transfer or transport agricultural machineries from storage to work area *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Select and wear appropriate Personal Protective Equipment for machinery operation *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Identify and correct malfunctions, if any, in accordance with operator's manual *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Assess machine performances according to set standards/client's specification *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Observe safe and healthy work practices according to work safety and health standards, and enterprise requirements *</li> </ul>			
<ul style="list-style-type: none"> <li>Perform post-operation activities</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Practice waste management before and after operation activities according to environmental regulations *</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Perform basic preventive maintenance of machineries and engines prior to storage, according to manufacturer's manual</li> </ul>			
<ul style="list-style-type: none"> <li>➤ Maintain cleanliness of machinery storage area *</li> </ul>			

➤ Prepare machine operation records according to enterprise format or as prescribed by machinery owner *		
I agree to undertake assessment with the knowledge that information gathered will only be used for professional development purposes and can only be accessed by concerned assessment personnel and my manager/supervisor.

## SELF ASSESSMENT GUIDE

<b>Qualification:</b>	AGRICULTURAL MACHINERY OPERATION NC II		
<b>Certificate of Competency (COC 2):</b>	Operate agricultural large production machinery and equipment		
<b>Instruction:</b>			
<ul style="list-style-type: none"> <li>Read each question and check the appropriate column to indicate your answer.</li> </ul>			
<b>Can I?</b>	<b>YES</b>	<b>NO</b>	
➤ Assess existing land condition in terms of moisture content, terrain, vegetation and soil characteristics *			
➤ Assess crop conditions in terms of age and weed/pest infestation *			
➤ Select appropriate agricultural machineries according to condition of land and crop *			
➤ Prepare agricultural machineries, tools and materials, components and attachments (implements/accessories) for operations *			
➤ Operate agricultural machineries according to operator's manual *			
➤ Check and/or adjust agricultural machineries, attachments (implements/accessories), machine components in accordance with job requirements and/or manufacturer's manual *			
➤ Transfer or transport agricultural machineries from storage to work area *			
➤ Select and wear appropriate Personal Protective Equipment for machinery operation *			
➤ Identify and correct malfunctions, if any, in accordance with operator's manual *			
➤ Assess machine performances according to set standards/client's specification *			
➤ Observe safe and healthy work practices according to work safety and health standards, and enterprise requirements *			
➤ Performed post-operation activities			
➤ Practice waste management before and after operation activities according to environmental regulations *			
➤ Perform basic preventive maintenance of machineries and engines prior to storage, according to manufacturer's manual			

➤ Maintain cleanliness of machinery storage area *		
➤ Prepare machine operation records according to enterprise format or as prescribed by machinery owner *		
I agree to undertake assessment with the knowledge that information gathered will only be used for professional development purposes and can only be accessed by concerned assessment personnel and my manager/supervisor.
