Subject: Procedural Guidelines on the Availment of Skills Training under various TESDA Scholarship Programs		Page 1 of 8 pages Number <u>34</u> , series of 2017
Date Issued: July 10, 2017	Effectivity: Immediately	Supersedes: TESDA Circular No. 41, s. 2016

In the interest of service and in line with the implementation of the Barangay Kasanayan para sa Kabuhayan at Kapayapaan (BKKK) Program, this Procedural Guidelines on the Availment of Skills Training under various TESDA Scholarship Programs is hereby adopted.

I. Definition of Terms

Barangay Skills Need Survey (BSNS) is a tool used to determine the preferred TVET Qualifications of interested members/residents in the barangays.

Online Scholarship Application is an online application system where citizens can apply for scholarship through its website/url: www.tesda.gov.ph/education.

Walk-in Scholarship Application is a face-to-face application process where citizens can apply for scholarship directly at the TESDA Central, Regional and Provincial Offices.

II. Background

The Tendering System for Scholarship Grants for 2017 Training for Work Scholarship Program for Technical Vocational Institutions (TESDA Circular No. 10, s. of 2017), the 2017 Guidelines for the Implementation of Private Education Student Financial Assistance (TESDA Circular No. 27, s. of 2017), and the Implementing Guidelines for 2017 Special Training for Employment Program (TESDA Circular No. 13, s. of 2017) stipulated that the modes of availing/applying for these scholarship programs are through the Barangay Listing of Prospective Beneficiaries (Barangay Skills Need Survey), online and walk-in applications.

III. Objective

This Circular shall provide the Regional/Provincial Offices the standard procedures on the availment of skills training under various TESDA scholarship programs through the three modes of availment: the Barangay Skills Need Survey (BSNS), online and Walk-in Applications.

IV. Scope/Coverage

This Circular shall cover the modes of application on the existing scholarship programs of TESDA which are the Training for Work Scholarship Program (TWSP), the Private Education Student Financial Assistance (PESFA), and the Special Training for Employment Program (STEP).

V. The Survey/Application Procedures

A. The Barangay Skills Need Survey (BSNS)

1. The TESDA Regional/Provincial Offices shall provide the Punong Barangay/Kagawad the TESDA BSNS Forms (English version-Annex A and Filipino version-Annex B)

TESDA CIRCULAR

accompanied by the list of TVET Qualifications available in their areas and explain to them how to accomplish the form and the process of selecting scholarship beneficiaries;

2. Using the TESDA BSNS Form (either Annex A or B), the Punong Barangay/Kagawad or the designated Focal Person shall fill-out Row 1 of this form, distribute to their interested/selected residents/members and assist them in filling-out the form;
3. The Barangay resident/member referred herein as respondent shall properly, completely and legibly fill-out the information needed in the survey such as his/her complete name, complete permanent address, cellphone/landline no., email address, TVET Qualifications preferred, date of birth, place of birth, sex, civil status, employment status, highest educational attainment and lastly the classification;
4. The respondent, after filling-out the survey shall indicate his/her preference with regards to the privacy disclaimer below the form and affix his/her signature over his/her printed name across the preference and indicate the date his/her signature was affixed;
5. The respondent, after fully accomplishing the survey shall return the same to the Punong Barangay/Kagawad or the designated Focal Person, the Punong Barangay/Kagawad shall then sign all accomplished survey forms, indicate the date the survey forms were accomplished and submit the same to the TESDA Provincial Offices;
6. The TESDA Provincial Directors shall counter-sign all the submitted survey forms. The TESDA Provincial Focal Person shall indicate the date when the survey forms were received by the PO;
7. The TESDA Provincial Focal Person shall encode in the centralized database system (T2MIS) the data/profile of all respondents;
8. The TESDA Provincial Focal Person, upon receipt of the accomplished survey forms, shall contact within 3 days the respondents to inform them that the Provincial Office has already received the accomplished survey forms; explain to them the process of selecting scholarship beneficiaries for the kind of scholarship programs and provide the contact details of the Provincial Office/Focal Person for follow-up;
9. The respondent shall follow-up the status of his/her application with the TESDA Provincial Office/Focal Person and the latter shall inform the respondent within 7 days after the date of contact of the status of his/her application and possible training schedule;
10. The scholarship grantees provided to the qualified TVIs who can no longer be located/contacted from the barangays shall be replaced by other waitlisted respondents in the database system (T2MIS). Replacement of grantee/s will require from the concerned TVIs a certification from the barangays that the grantee/s can no longer be located/contacted after exhausting all efforts. Such certification shall be submitted by the TVIs to the Provincial Offices concerned.

Table 3. What are the scenarios in Table 1 and 2 that will pose as either opportunities or constraints in the implementation of the scholarship programs? Please give your recommendations.

No.	SECTOR	TVET Qualification	Scenarios	Opportunities/ Constraints	Recommendations
Example 1	Garments	Dressmaking NC II	Demand is lower than the supply (1000 D vs 2000 S)	Demand Constraint	Implement appropriate no. of scholarship vis a vis actual demand
Example 2	Metals & Engineering	SMAW NC II	Demand is higher than supply (500 D vs 200 S) Absorptive Capacity is lower than the demand (400 AC vs 500 D)	Supply Constraint Capacity Constraint	Scout for more interested potential scholars Increase AC by encouraging non-compliant TVIs to be audited for compliance
Example 3	Agri-Fishery	Horticulture NC II	Demand is zero with 650 supply	Demand Constraint	Do not provide scholarship programs. If there is no potential employment at all after exhausting all efforts, encourage the respondents/applicants to take other courses with employment opportunities.
Example 4		Teaching English to Speakers of Other Languages (T.E.S.O.L)	There is a demand but not covered under the TESDA scholarship programs.	Opportunity	Include T.E.S.O.L in the TWSP menu. Encourage takers.
Example 5	Education Course	Non-TVET	Not a TESDA course		Inform the respondents/applicants that education courses are under CHED. Offer TVET
Example 6	ICT	3D Animation NC III	25 are high school undergraduates-not qualified		Include them in the community-based training.
