

PROGRAM/PROJECT FACT SHEET

PROGRAM/PROJECTS: TRAINING FOR WORK SCHOLARSHIP PROGRAM (TWSP)

DESCRIPTION/ OBJECTIVE

TWSP is intended to operationalize the President's commitment to invest in order to reduce poverty and build national competitiveness. It specifically aims to:

- ensure the availability of qualified workforce to fill the skills gap particularly in high demand industries;
- improve the reach of quality TVET to the grassroots; and
- contribute to the upgrading of the quality TVET programs by encouraging technical vocational institutions to offer programs for higher qualifications catering to in-demand industry requirements.
