WHEREAS, the Technical Working Group (TWG) arrived at the ABC by canvassing the prices of the goods to be procured from the market, internet and reputable suppliers. **APPROVING THE AWARD OF CONTRACTS TO ACMI OFFICE SYSTEM
PHILIPPINES, INCORPORATED, RONAN TRADING AND WELCOME EXPORT,
INCORPORATED FOR THE PROCUREMENT OF STARTER TOOLKITS FOR THE
SPECIAL TRAINING FOR EMPLOYMENT PROGRAM (STEP) – PHASE II**

WHEREAS, during the 75th Finance Committee TESDA Board and TESDA Secretariat Consultation Meeting held last 18 May 2015, the TESDA Secretariat through the BAC recommended the award of contracts to ACMI Office System Philippines, Incorporated, Ronan Trading, Up-Town Industrial Sales, Incorporated and Welcome Export, Incorporated for the procurement of starter toolkits for the Special Training for Employment Program (STEP) – Phase II on the lots/qualifications identified above;

WHEREAS, during the 76th Finance Committee TESDA Board and TESDA Secretariat Consultation Meeting held last 26 May 2015, the members of the Finance Committee TESDA Board recommended for the declaration of failure of bidding in Lot XXXV – Perform Diesel/Gas Engine Tune Up (Leading to Automotive Servicing NC I) due to the failure of the bidder to comply with the costing. The bid offer of Up-Town Industrial Sales, Incorporated was found to be not responsive to the requirements of the agency. After the bid evaluation was made per item, it was found out that the amount of the thickness gauge/feeler gauge offered by Up-Town Industrial Sales, Incorporated under said lot is one hundred percent (100%) higher than the agency estimate. While the technical specifications of the thickness gauge/feeler gauge being offered by Up-Town Industrial Sales, Incorporated complied with the requirements of the agency, its price is totally disadvantageous to the government. In the same manner, the bid offered by ACMI Office System Philippines, Incorporated was found to be not responsive to the requirements of the agency. While the technical specifications of all items being offered by ACMI Office System Philippines, Incorporated under such lot complied with the requirements of the agency and its total bid offer is within the ABC of such lot, the total bid offer of ACMI Office System Philippines, Incorporated is almost a million pesos higher than the bid offer of Up-Town Industrial Sales, Incorporated. At any rate, the bid offer of ACMI Office System Philippines, Incorporated is still disadvantageous to the government;
