

SUPPLEMENTAL/BID BULLETIN

BID BULLETIN NO. 1

4 April 2023

Name of Project: Supply and Delivery of One (1) Unit Passenger Van and Six (6) Units Pickup Trucks for Technical Education and Skills Development Authority

Pursuant to Section 22.5 of the 2016 Revised Implementing Rules and Regulations (RIRR) of Republic Act (RA) No. 9184, this Bid Bulletin No. 1 is being issued to further clarify the provisions in the Bidding Documents with reference to the queries/concerns raised by the bidders.

1. On the query to change the date of submission of bids
 - TESDA retains the schedule of the submission of bids on 12 April 2023 at 10:00 a.m. as stated in the Bidding Documents.
2. On the change in the transmission of the passenger van
 - TESDA retains the transmission of the passenger van as stated in the Bidding Documents considering that the 6-Speed AT offers better performance compared to 5-Speed AT.
3. On the change in the engine displacement of the pick-up trucks (Section VII of the Bidding Documents)
 - TESDA retains the engine displacement of the pick-up trucks stated in the Bidding Documents. This is to be consistent with the technical specifications of the other units delivered subject of the previous procurement of motor vehicles.
4. On the request to change the tires and wheels of the passenger van
 - TESDA retains the technical specifications of the tires and wheels of the passenger van as stated in the Bidding Documents considering that the alloy wheels offer better performance compared to steel wheels.
5. On the request to reduce the drive system of the pick-up trucks from 4x4 to 4x2
 - TESDA retains the 4x4 drive system of the pick-up trucks stated in the Bidding Documents considering its performance in all various types of terrain.

6. On the query to consider the engine displacement of the passenger van

- Given that there is only a slight difference between the required 2,500 cc engine displacement of the aforementioned motor vehicle and the proposal of the prospective bidder, TESDA allows the 2,488 cc engine displacement of the passenger van.

For the information and guidance of all concerned.
