2. **On the queries of the bidders**

Query : In addition, in the Statement of Single Largest Completed Contract, which shall include a copy of any verifiable document(s) such as but not limited to the following:

- (a) Contract/s or Purchase Order(s);
- (b) Corresponding Sales Invoice/s;
- (c) Official Receipt/Cash Receipt/Collection Receipt;
- (d) Owner's Certificate of Performance Evaluation;

(e) Contractor's Evaluation System (CPES) rating sheet with at least satisfactory rating.

In this connection, we would like to ask if item b is mandatory requirement? Considering that the Contractor rendered services which has have only official receipt. In the absence of item d and e is it okay to submit certificate of acceptance?

Response : The corresponding Sales Invoice/s or Official Receipt/s can be considered. However, for CPE and CPES, TESDA requires the prospective bidders to submit this pertinent document as the document is part of the review process of the TWG during post-qualification. Moreover, if it cannot be provided, a Certificate of Acceptance can be submitted as replacement, but if the prospective bidders have this document on projects with the same complexity of TESDA's project, it should be provided.

Query : Do you provide B.O.Q form?

Response : The Bill Of Quantities Form are attached as Annex "B" in the Bidding Documents. The Bidding Documents are posted in the TESDA and PhilGEPS websites, and the prospective bidders can obtain a printed copy by purchasing them.

Query : Does your B.O.Q has quantities already?

Response : The Bill Of Quantities Form contains all relevant information about the bid of the prospective bidder.

Query : What permits required stipulates in ITEM B.3. aside from building and occupancy permits?

Response : Aside from the initially said permits, barangay clearances, permit to operate for equipment and all other clearances that will be provided by the LGU as required, shall be processed by the winning contractor.

Query : How about PERMIT TO OPERATES?

Response : Permit to Operates are also required.

Query : Do you have materials specification and brand?

Response : There is a list of material specifications. However, not all materials are branded because they are subject to approval on site by the designated Resident Engineer/Architect who will be in-charge as TESDA's representative for the project.

- Query : Are we allowed to construct barracks on site?
- Response : The winning contractor is allowed to construct their barracks on-site and must coordinate on the management of the project site.
- Query : How about the Unwanted materials to be disposed do you have preferred areas for disposal?
- Response : Unwanted materials shall be disposed by the winning contractor to its proper location.
- Query : Do we need to attached site inspection certificates?
- Response : A certificate of appearance for the prospective bidder is required to be attached to their final bidding document, which will be submitted during the bid opening.
- Query : Who will sign the inspection certificate and when?
- Response : The certificate of appearance will be signed by the respective representatives of the project sites.
