1	<p>[Company] respectfully request for an extension for the Design and Build Project of the TESDA Regional TVET Innovation Center including Rehabilitation, Renovation, and Repair of TTI's Existing Facilities.</p> <p>The extension is necessary to allow our design and technical team sufficient time to complete all required plans and technical documents to ensure compliance with the project's specifications and quality standards. Given the complexity of the design requirements and the need for meticulous planning, additional time is essential to deliver a well-prepared and structurally sound project.</p> <p>In light of this, we kindly request an extension of ten (10) days to finalize the necessary preparations and proceed with the bidding phase efficiently. We remain committed to completing the project with the highest level of professionalism and in accordance with TESDA's objectives.</p> <p>We hope for your favorable consideration of this request and we are willing to provide any additional document as required.</p>	Section 2.
