Loan/Grant No. and : 4268-PHI: Supporting Innovation in the Philippine Technical and Vocational Education and Training System  
Title Project

Contract No. and Title : **G101-A Acquisition and Setup of Multimedia Development Equipment for 17 Innovation Centers and eTESDA PMO (2 lots)**

### BULLETIN NO. 1

The following responses shall form part of the Request for Quotations. Please be guided accordingly.

**Details of issues raised by the suppliers and TESDA's responses are given below:**

Sr. No.	ISSUE RAISED	RESPONSES BY TESDA
1	In Lot 1: Supply and delivery of Multimedia Development Equipment for 17 Innovation Centers and eTESDA PMO, the specifications indicated pertain to a specific model that is no longer available in the market. The current model has variations in the following:	<p>The specifications for <i>14. Mini Action Camera with Tripod</i> shall remain the same.</p> <p>Please note that the specifications outlined in the Request for Quotation (RFQ) represent the minimum requirements. The supplier may propose equivalent or superior specifications.</p>
