UAQTEA graduates are evidently high in region III, while region II has the most number of RESP graduates. For TSUPER ISKOLAR, high share of graduates is from region VII. Table 9-A shows that among the sectors, highest reported graduates TWSP, STEP and PESFA were from the tourism sector while Metal Engineering has the most accounted graduates for UAQTEAE (see table 9-B)

Note:

Total number of EGAC will not match the national output due to multiple selection of client type

TESDA provides training program to different groups/individuals that needs skills training. Based on the data, majority of TVET clients are students, Out-of School Youth and Indigenous People. The next tables are the distribution of the EGAC by client type by region.
