ANNEX - SECTORAL DATA

- Agriculture, Forestry, and Fishery
- Automotive and Land Transportation
- Chemicals/ Plastics/ Petrochemicals
- Construction
- Decorative Crafts
- Electrical and Electronics
- Footwear and Leather goods
- Furniture and Fixtures
- Garments
- Heating, Ventilation, Air-conditioning and Refrigeration (HVAC/R)
- Human Health and Healthcare
- Information and Communication Technology

- Transport and Logistics
- Maritime
- Metals and Engineering
- Processed Food and Beverages
- Pyrotechnics
- Social, Community Development, and Other Services
- Tourism (Hotel and Restaurant)
- TVET
- Utilities
- Visual Arts
- Wholesale and Retail Trade
- Others

HIGHLIGHTS

A. TRAINING OUTPUT

- In the period of 2017-2019, the peak of TVET enrollees was in 2019 at 2,488,922 and the highest number of graduates was registered in 2018 with a total of 2,252,208 with a completion rate 94.41%.
- In 2017, Region III topped the graduates output with 304,734 while NCR registered the highest number of graduates in 2018-2019 with 308,414 and 306,828, respectively.
- It is also observed that female individuals dominated the TVET Enrollees and Graduates output over male from the last 3 years with an average of 53% of the total output.
- Majority of the graduates came from community-based programs with Region IV-A having the highest contribution in 2017 and NCR in 2018 and 2019.
- Public Institutions have the most number of enrolled and graduates compared to private providers from 2017-2019. These public training providers have more outputs despite being less in numbers than the private institutions because they cover community-based programs that are delivered by TTIs, LGUs, NGOs and NGAs. The CBT programs are usually short-term courses that are conducted in minimal duration.
- In 2017, TESDA Technology Institutions (TTIs) produced the highest number of graduates (319,580). Meanwhile, the top 3 region contributors are Region VI (31,359), Region X (26,204), and Region II (24,338). The Luciano Millan Memorial School of Arts and Trades also produced the highest number graduates from 2017-2019 with 15,060, 11,025, and 8,436 respectively.
- Tourism (Hotel and Restaurant) sector dominates in terms of having the highest number of graduates for the past 3 years as it also holds the highest number of registered programs.
- TWSP accounted majority of graduates in 2018 and 2019 with TESDA NCR having the highest contribution in total output.

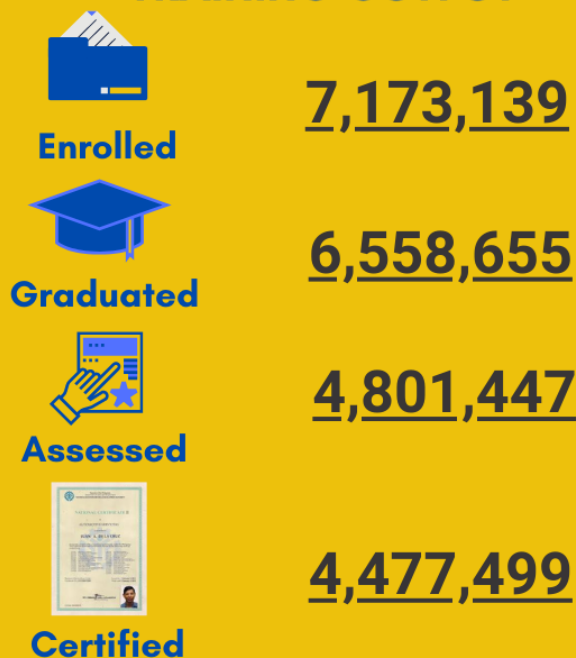

B. ASSESSMENT AND CERTIFICATION

- The assessment and certification is consistently above the 90% certification rate, however there is a slight decrease of 0.7% from 2017 to 2018.
- From the period of 2017-2019, the highest certification output is registered in 2018 with 1,716,967 certified individuals, and NCR listing the highest contribution.
- From 2017-2019, majority of the certified individuals are female, comprising 54% in the average.
- The Tourism Sector outstands the certification output from 2017-2019, relative to the number of Competency Assessor and Assessment Center that is also greater for the past years.
- TESDA NCR consistently produces the highest number of competency assessors and assessment centers in the country. All number from all regions generally increases per year.

C. PROGRAM REGISTRATION, TVET PROVIDERS AND TRAINERS

- Similar to the number of competency assessors and assessment centers, TESDA NCR recorded the highest number of registered programs and TVET providers.
- Relative to the training and assessment output, Tourism Sector has the highest number of registered programs from 2017-2019
- Private training provider is higher compared to Public providers with an average of 91% of the total training providers from 2017-2019.
- Data presented in this report shows an annual increase of NTTC holders from 2017-2019, with TESDA NCR consistently producing the highest number of NTTC holders. Similarly, Tourism records the highest number of NTTC holders which is reflected as well in the training output.

NATIONAL TRAINING OUTPUT
