16-009-01-00000-02-01-02	Programs and Projects under MITHI								-			The e-Government Master Plan (EGMP) 2.0 (2016-2022) supports the Philippine Development Plan. There are three (3) components of the EGMP, these components are : 1) The Medium Term ICT Harmonization Initiative; 2) Integrated Government Philippines (iGovPhil); and 3) Agency specific applications. These identified components are reflected in the e-Government Building Blocks, which the TESDA ISSP (2018-2020) is still anchored in this framework. TESDA, consider that the ICT plays an important role in the agencies environment to ensure openness, transparent government and the delivery of effective and efficient services. With this, our goal to become the active partner in the implementation of e-government projects, encourage us to prioritize and identify the ICT projects aligned with EGMP.
